

Wooden Laminate Flooring

Kkraft Floors & Panels provides its clients the best quality Laminated Wooden Flooring, with smart click lock mechanism which makes it very easy to install & dismantle the wooden flooring.

The construction of a Laminated Wooden Flooring is as follows:

Golden Teak

Experience the luxurious charm of Golden Teak from our Xotiq Series. This exquisite wooden flooring boasts warm golden tones and a stunningly realistic wood grain texture, adding elegance and warmth to any interior. Designed to complement both modern and traditional spaces, its refined finish captures the essence of timeless teak wood beauty.

Jarrah

Elevate your interiors with the rich sophistication of Jarrah from our premium collection. Featuring deep, reddish-brown tones and a striking wood grain texture, this wooden flooring exudes timeless elegance. Perfect for creating a warm and luxurious ambiance, Jarrah effortlessly enhances both contemporary and traditional spaces with its distinctive charm.

Sapele

Introduce timeless sophistication into your home with Sapele wooden flooring. Featuring rich, dark brown hues and intricate wood grain patterns, Sapele brings warmth and depth to any space. Its luxurious finish makes it a perfect fit for both classic and contemporary interiors, offering durability and a refined aesthetic.

American Walnut

The American Walnut from the Xotiq Series is a stunning wooden flooring option that combines natural beauty with exceptional craftsmanship. Featuring deep, warm brown tones and intricate grain patterns, it exudes timeless elegance, making it a perfect choice for both contemporary and traditional interiors. This flooring not only enhances the aesthetic appeal of a space but also creates a warm and inviting ambiance.

Burma Teak

The Burma Teak flooring showcases golden-brown hues and unique grain patterns, adding warmth and luxury to any space. Its exceptional durability and low-maintenance design make it ideal for both modern and traditional interiors. Perfect for creating a timeless and inviting atmosphere, it's a choice that blends style with practicality.
